- Conduct intake, mental health, and substance abuse assessments (as appropriate per licensure/credentials) and make appropriate referrals
- Create treatment plans based on individual client needs and monitor client progress during treatment
- Maintain complete and up-to-date electronic health records for all clients
- Attend individual supervision, team meetings, client staffing meetings, clinical consultations, counseling and clinical team meetings and other appropriate meetings as assigned

Qualifications:

- Master's in Counseling, Social Work, Psychology, or related field
- Licensed in Kentucky
- Clinical counseling experience working with children and/or families
- Experience identifying and implementing evidence-based practices while working with children and/or families
- Demonstrated ability to develop positive and collaborative relationships with clients, families, colleagues and others in the human services field
- Excellent written and oral communication skills
- Ability to work within a faith community

Schedule:

- Full time or part time
- Monday – Friday
