Job Title: Psychologist (Part-Time)

Location: Mount Sterling, KY

Position Type: Part-Time (2-3 days per month)

Position Summary:

We are seeking a compassionate, experienced Psychologist to join our team on a part-time basis (2-3 days per month) at our Behavioral Health Clinic in Mount Sterling, KY. This role will primarily involve conducting psychological assessments, creating detailed reports, and providing follow-up care to parents and families of children and adolescents. The ideal candidate will have experience working with children and individuals with Autism, ADHD, and Intellectual Disabilities (ID).

Key Responsibilities:

- Psychological Assessments:
 - Administer comprehensive psychological assessments to evaluate Autism Spectrum Disorder (ASD), Attention Deficit Hyperactivity Disorder (ADHD), and Intellectual Disabilities (ID).
 - Conduct interviews with parents, caregivers, and teachers as needed for comprehensive data collection.
 - Evaluate developmental histories, behaviors, and cognitive functioning using standardized tests and other assessment tools.
- Report Creation and Analysis:
 - Interpret and analyze assessment results, providing a detailed report outlining findings, diagnoses, and recommendations.
 - Generate clear, concise, and actionable reports for parents, clinicians, and other members of the healthcare team.
 - Ensure reports are submitted in a timely manner for review and planning.
- Follow-Up Appointments:
 - Schedule and conduct follow-up appointments with parents to discuss assessment results and provide recommendations for treatment, interventions, or referrals.
 - Provide guidance and support to parents on how to implement strategies and interventions at home and school.
 - Offer professional advice on navigating available community resources and services.
- Collaboration:
 - Work closely with other healthcare professionals (e.g., therapists, pediatricians, social workers) to ensure comprehensive care for clients.
 - Participate in team meetings to review cases, progress, and recommendations for ongoing care.

-
- Professional Development:
 - Maintain knowledge of the latest psychological research, diagnostic tools, and best practices related to autism, ADHD, and intellectual disabilities.
 - Engage in ongoing professional development and training as required.

Qualifications:

- Doctorate in Psychology (PhD or PsyD) or equivalent.
- Licensed Psychologist in the state of Kentucky.
- Experience with psychological assessments, particularly in Autism, ADHD, and Intellectual Disabilities.
- Strong communication skills, with the ability to explain complex concepts in a clear and compassionate manner.
- Experience working with children, adolescents, and their families in a behavioral health setting is preferred.
- Ability to work independently and manage time effectively on a part-time schedule.

Schedule:

- 2-3 days per month, flexible schedule available.
- Opportunities for additional hours if needed.

How to Apply:

Interested candidates are encouraged to submit their resume, a cover letter detailing their experience, and references to our clinic's HR department at nscc.billing@newsongcounseling.org. Please indicate your availability and desired working hours in your application.

About Us:

NewSong Counseling Center staff support each other not only professionally but also personally. We provide opportunities to bond in relationships, unite in faith, and share new knowledge in the field. With over 11 years of involvement in our community, our counselors are booked up to 3 months in advance. We offer an administrative team to oversee scheduling and billing, benefits, credentialing to all the major insurance companies, and we fully furnish offices for each of our counselors.

Let us handle the stress of a private practice so you can focus on your clients!
